
USHJA South Point Nominations

The SNHJA is an affiliate of [USHJA](#) which means we may nominate our members to compete in the national championship at South Point in November.

We have come up with a way to nominate our members but also want to offer the spot to the next person in line if you don't plan on attending.

If your rider was a year-end Champion or Reserve Champion in 2' or above, you will be nominated. However, in past years, they have only taken the #1 choice.

Please let me know by August 20 2023 if you want your rider nominated. If we don't hear from you, your spot will be offered to the next in line. Your rider **MUST** be a member of SNHJA to be considered!

Please refer to the [USHJA National Championship](#) page for further details.

If you have any questions regarding the nomination process, please email SNHJA Board. This is a hard deadline in order to use all our spots.
